

Assembly Instructions for your new 48" T5 – 4 Lamp Reflector

Parts List

- 1 Shade with clips attached
- 4 Lamps
- 3 Flat Brackets
- 8 Nuts
- 8 Bolts
- 4 Eyehooks with 2 nuts each

Assembly Instructions:

- Check parts list to ensure you have all parts
- Attach brackets with nuts and bolts on TOPSIDE of shade, leaving the corners open
- When installing bolts make sure flatheads are on the inside
- Install eyehooks at each corner on topside of shade
- Place lamps into clips, ensuring the ends alternate

Note: The complete lamp kits include extra mounting clips and the jumper cables required for installation.
